

We want to thank all visitors to Cornerstone the Church for showing great respect for our neighbours by not parking in areas which have been deemed as no parking on this map. These areas are resident or permit holder only parking.

We have been given permission to park in this carpark.

We have been given permission to park in this carpark.

If you are disabled or temporarily disabled we have very limited parking inside the gates of the church. However once they are filled you will ONLY be permitted to drop off and we can have your driver or one of our staff park your vehicle for you.
